Photography Class:

Class 26: A picture of your rose garden; For this class, a landscape mode is preferred. Roses must be part of the picture (one entry per member)

Photography Tips

- High quality images
- Shoot in portrait mode instead of landscape (i.e. vertically oriented photo is preferred)
- Make sure you have a simple backdrop that doesn't distract from the flowers
- Below are a few examples from the Greater Atlanta Rose Society recent show:
